D. List of network pharmacies

This part of the Directory provides a list of pharmacies in Neighborhood INTEGRITY's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a Member of the plan.

We also list pharmacies that are in our network but are outside Rhode Island in which you live. You may also fill your prescriptions at these pharmacies. Please contact Neighborhood INTEGRITY at 1-844-812-6896, 8 am to 8 pm, Monday – Friday; 8 am to 12 pm on Saturday, for additional information. On Saturday afternoons, Sundays and federal holidays, you may be asked to leave a message. Your call will be returned within the next business day.

- Neighborhood INTEGRITY Members must use network pharmacies to get prescription drugs.
 - You must use network pharmacies except in emergency or urgent care situations.
 - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Neighborhood INTEGRITY *Member Handbook* for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Neighborhood INTEGRITY network pharmacies in your area, please visit our web site at www.nhpri.org/INTEGRITY or call Member Services at 1-844-812-6896 (TTY/TDD: 711), 8 am to 8 pm, Monday – Friday; 8 am to 12 pm on Saturday. D1. How to identify pharmacies in Neighborhood INTEGRITY's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes

If you have questions, please call Neighborhood INTEGRITY at 1-844-812-6896 (TTY/TDD 711), 8 am to 8 pm, Monday – Friday; 8 am to 12 pm on Saturday. The call is free. **For more information**, visit www.nhpri.org/INTEGRITY.

- Compounding Pharmacies provide medications that are not commercially available to members. Not all compounds are covered by Neighborhood INTEGRITY.

You are not required to continue going to the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of some covered prescription drugs sent directly to your home.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of some covered prescription drugs.

If you have questions, please call Neighborhood INTEGRITY at 1-844-812-6896 (TTY/TDD 711), 8 am to 8 pm, Monday – Friday; 8 am to 12 pm on Saturday. The call is free. **For more information**, visit www.nhpri.org/INTEGRITY.

E2. Mail-order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program which is called CVS Mail Order. CVS Mail Order will obtain consent before shipping or delivering any prescriptions the member does not personally initiate.
