

## Price Information for Your Medical Benefits 2018-2019

We understand that having access to price information for your medical benefits is very important to you when using your health insurance. Please call Neighborhood Member Services at 1-855-321-9244 to receive price information on the following services.

The information provided on this site is for information purposes only, and provides cost estimates for services that may be available through your health plan. The actual cost of care can vary greatly from place to place. This site and Neighborhood Health Plan of Rhode Island do not guarantee that a service will be available, the cost for services, or that a service will be covered. Always consult with your personal physician to determine what services you may need, and where you may receive them.

## **Behavioral Health**

Please visit our Behavioral Health portal at:

<https://www.liveandworkwell.com/content/en/member.html>

You will need your member ID number to create your account. Once you have created your account, you can search for pricing information for most of your covered behavioral health services.

## **Prescription Drugs**

Please visit our Pharmacy portal at: <https://www.caremark.com/wps/portal>

You will need your member ID number to create your account. Once you have created your account, you can search for any prescription drug to see the cost of that drug, locate an in-network pharmacy, request refills, enroll in mail order, and much more. If you are not currently a member of Neighborhood and are looking for pricing information for your prescriptions, please call us at 1-855-321-9244, option 5.
